**From Palgrave Macmillan : Promoting Microfinance: Challenges and Innovations in Developing Countries and Countries in Transition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Promoting Microfinance: Challenges and Innovations in Developing Countries and Countries in Transition:

Promoting Microfinance brings together essays and empirical work by leading researchers and practitioners in the field of microfinance. It covers key issues currently facing the microfinance industry and provides an overview of the microfinance industry in selected countries/regions, pointing to the direction in which it is heading.
