Thomas A. Barich : QuickBooks 2012 QuickSteps (Quick Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised QuickBooks 2012 QuickSteps (Quick Guides):

5 of 5 people found the following review helpful. Good but incompleteBy Happygirl7There are unanswered questions about manual entries i.e. bank fees that do not record because a check wasn't written. Also other issues not addressed if you start Quickbooks mid year and need to enter history from January 1st to present.6 of 6 people found the following review helpful. quickbooks 2012By Linda B. SchalteggerI needed to quickly become familiar with this accounting program in applying for jobs. This book has very specific information which is extremely useful.4 of 4 people found the following review helpful. Good bookBy Guardian123This book was purchased to help my husband and I with QuickBooks 2012. Over all its a good reference book, although a few step by step instructions are inaccurate but you can still manage to navigate through the program.
