Great Reference Book!By Gary M WaltonThis book has been a huge help for my business and I am so thankful to the author for getting it published since there is so little help available to those of us who have been frustrated trying to use the new online version of QuickBooks. Many of my questions have finally been resolved with the help of this book and I am finally moving forward and getting everything up to date for the 2014 year. Great product and a must have for anybody else struggling with the new online version of this software. Book is well written with lots of real life examples.2 of 2 people found the following review helpful. Book is a great help when trying to find information and tools on ...By ~Bridget~Book is a great help when trying to find information and tools on how to deal with quick books online when you're stuck!!!1 of 1 people found the following review helpful. Four StarsBy Kim ZGreat for a newbie like me.

Filling a void in the market of more than half a million QuickBooks Online subscribers, this book provides detailed coverage of the various QuickBooks Online plans along with accounting advice, tips and tricks, and workarounds for the program's limitations. This comprehensive guide to setting up and using the newest version of this program includes specific how-to instruction as well as plenty of explanations and information. It provides both beginners and experienced users with everything needed to track their companies' finances on the web using QuickBooks Online.
