basic knowledge on securitization. I keep this book on my desk for reference.

Real Estate-Backed Securities provides today's most concise yet comprehensive understanding of passive real estate investing. Issues discussed include agency passthrough securities and mortgage strips, agency collateralized mortgage obligations, nonagency residential MBS, commercial mortgage-backed securities, and more.

"Frank Fabozzi's series is the gold standard for investment reference books. Always topical and often influential this is the first place I send students or practitioners when they want to get up to speed on a new area." (Stephen A. Ross, Franco Modigliani Professor of Finance and Economics, Sloan School, MIT) "The Fabozzi series provides the ultimate educational encyclopedia for the global debt capital markets. Each day, billions of dollars of debt securities trade around the world according to the principles clearly and comprehensively explained in this unrivaled series dedicated to the advancement of our knowledge-based profession." (Jack Malvey, Managing Director, Chief Global Fixed-Income Strategist, Lehman Brothers) "When in doubt, you can always look it up in a book by Frank Fabozzi. Fabozzi, who's not called the Prolific Professor for nothing, has written or edited dozens of textbooks on investing--all rock-solid, for advanced investors only." (Jason Zwiig, Money.com) From the Publisher "Frank Fabozzi's series is the gold standard for investment reference books.
