In her latest book, author and intuitive consultant Lynn A. Robinson lights the path to prosperity by showing her readers how to access their true dreams and passions and how to tap into their personal wells of abundance. Refreshingly down to earth and rich with humor, compassion, and compelling tales of success, Real Prosperity points its readers to financial and spiritual prosperity with sage advice, true stories, inspirational quotes, and quick, practical exercises that add a valuable "how to" factor not often found in this genre. At a time when Americans are sinking into a quagmire of debt and the deeper meaning of life seems to elude even the well off, this wonderful new book offers relief and promises to help its readers chart a course to a richer, more abundant life. This is not a get-rich-quick or pray-your-way-to-wealth book. Nor is it a book about financial planning and debt reduction. It is, instead, an inspiring and uplifting guide that delivers hope, not hype; workable lessons, not foolish philosophy. In other words, it's a book that can work magic in your life. Read it and you'll agree.
