J. Zimmermann, J. Werner : Regulating Capitalism?: The Evolution of Transnational Accounting Governance (Transformations of the State) before purchasing it in order to gage whether or not it would be worth my time, and all praised Regulating Capitalism?: The Evolution of Transnational Accounting Governance (Transformations of the

State):

By exploring how financial, legal and wider socio-economic systems can accelerate or decelerate the harmonization in financial markets, this book connects issues both of contemporary political science and accounting research.
