Peter Kash : Restart: Life Tactics for Today's Economy before purchasing it in order to gage whether or not it would be worth my time, and all praised Restart: Life Tactics for Today's Economy:

0 of 0 people found the following review helpful. An Enjoyable ReadBy Andrew R.This was a fun, quick read that helps put perspective on life and your job search. The anecdotes make you smile and crystalize the author's message. Read this book, it's time well spent.0 of 0 people found the following review helpful. Incredibly insightful and helpfulBy Lola RaphelaBuy this book, especially if you are looking for a job. You'll get tons of helpful tips and inspiring stories from an author who clearly knows his stuff.

Original view on what makes for business success, by one of Wall Street's most successful venture capitalists, it shows

how to recognize and seize the moment that turns dreams of great fortune into reality.
