Jerry Apps : Ringlingville USA: The Stupendous Story of Seven Siblings and Their Stunning Circus Success before purchasing it in order to gage whether or not it would be worth my time, and all praised Ringlingville USA: The Stupendous Story of Seven Siblings and Their Stunning Circus Success:

4 of 4 people found the following review helpful. Great story of a true American FamilyBy Robert L. KeirsteadIf you want to appreciate the struggles and work of people at the turn of the 20th Century this book is a true inspiration.The Ringling Brothers pooled there unique skills to build what became America's most successful circus enterprise.From horse draw wagons to the evolution of the circus traveling by rail this is an important part of American history.In public school, we drilled over and over about the the American revolution and civil war. This approach missed the real story of American. This country was founded by the revolution, but built by so many families like the RIngling Brothers. They were not wealthy or educated at elite institutions, They had an idea and an incredible work ethic. They endured failure and set back. They never gave up and were never given anything. This book also is a shocking reminder of how much of American history is not not told in the government funded public schools.Thank you Mr. Apps, for filling in part of this missing history.1 of 1 people found the following review helpful. Five StarsBy ralph e

deturkwhether you have been to the circus or no, you will see its history and behind-the-scenes activities0 of 0 people found the following review helpful. Great and easy readBy Wayne AWell written very interesting book about the ringling bros circus.Very nice to have now that the ringling bros circus is ending.

The Ringling Brothers began their business under the most modest of circumstances and through hard work, business savvy, and some luck created the largest, most famous circus in the world. They became wealthy men, one 50 cent admission ticket at a time.Ringlingville USA chronicles the brothers' journey from immigrant poverty to enduring glory as the kings of the circus world. The Ringlings and their circus were last studied in depth over four decades ago. Now, for the first time, the brothers' detailed financial records and personal correspondence are available to researchers. Jerry Apps weaves together that information with newspaper accounts, oral histories, colorful anecdotes, and stunning circus ephemera and photos, many never before been published, to illuminate the importance of the Ringlings' accomplishments. He describes how the Ringling Brothers confronted the challenges of taxation, war, economic pressure, changing technology, and personal sorrows to find their place in history. The brothers emerge as complex characters whose ambition, imagination, and pure hucksterism fueled the phenomenon that was the Ringling Brothers' Circus.nbsp;
