Walter V. 'Bud' Haslett : Risk Management: Foundations For a Changing Financial World (CFA Institute Investment Perspectives) before purchasing it in order to gage whether or not it would be worth my time, and all praised Risk Management: Foundations For a Changing Financial World (CFA Institute Investment Perspectives):

Key readings in risk management from CFA Institute, the preeminent organization representing financial analysts Risk management may have been the single most important topic in finance over the past two decades. To appreciate its

complexity, one must understand the art as well as the science behind it. Risk Management: Foundations for a Changing Financial World provides investment professionals with a solid framework for understanding the theory, philosophy, and development of the practice of risk management by Outlining the evolution of risk management and how the discipline has adapted to address the future of managing risk
