**From Palgrave Macmillan : Risk Tolerance in Financial Decision Making (Palgrave Macmillan Studies in Banking and Financial Institutions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Risk Tolerance in Financial Decision Making (Palgrave Macmillan Studies in Banking and Financial

Institutions):

This book sheds light on the emotional side of risk taking behaviour using an innovative cross-disciplinary approach, mixing financial competences with psychology and affective neuroscience. In doing so, it shows the implications for market participants and regulators in terms of transparency and communication between intermediaries and customers.
