**Steven M. Bragg : Running an Effective Investor Relations Department: A Comprehensive Guide (Wiley Corporate FA)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Running an Effective Investor Relations Department: A Comprehensive Guide (Wiley Corporate FA):

0 of 0 people found the following review helpful. Good BookBy Brian DBragg (2010) provides intriguing insights

related to class discussion questions and helps readers understand the investor relations function. I would recommend the book to anyone interested in investor relations. 7 of 7 people found the following review helpful. Nice for beginners  
By Vicente M. F. Very nice guide for newcomers to IR world. Easy to read and quick take aways, however if you need a more depth info, that is not the book.

The ultimate guide to investor relations Your one-stop resource for everything pertaining to your company's dealings with the investment community, *Running an Effective Investor Relations Department* provides investor relations professionals with essential day-to-day information. From creating and properly communicating a company's investment story, to dealing with both the sell side and buy side of the investment community, to providing guidance, and the form and frequency of that guidance, this authoritative resource covers it all. Addresses every possible area of the investor relations profession Includes chapters covering disclosure, forward-looking statements, guidance, event management, and twenty other topics Other titles by Bragg: *The Vest Pocket Controller*, *Accounting Best Practices*, Sixth Edition, and *Just-in-Time Accounting*, Third Edition Practical and thorough, this book offers the world-class guidance you need to effectively manage your investor relations department.

From the Inside Flap Create a resonating corporate message for the investment community. Navigate the various constituencies you deal with on an ongoing basis—analysts, brokers, investors, bankers, credit rating agencies, and the board of directors. Manage many forms of communication and operate confidently within government disclosure guidelines. Do it all and more with the world-class guidance found in *Running an Effective Investor Relations Department*, your one-stop resource for everything pertaining to your company's dealings with the investment community. Take a look inside this comprehensive compendium of investor relations information to learn more about: The management needs of the investor relations function The goals and objectives of investor relations Building a clear-cut investor relations officer (IRO) job description How you can create a viable company story, conduct a road show, conference call, and annual meeting The nuts and bolts of creating effective press releases Writing fact sheets, annual reports, and other reports Investor relations Web sites that work Metrics you can use to measure your company's investor relations activities Addressing every possible area of the investor relations profession, *Running an Effective Investor Relations Department* is the essential day-to-day sourcebook you'll keep by your side in running all aspects of your investor relations department. From the Back Cover Praise for *Running an Effective Investor Relations Department: A Comprehensive Guide* "Mr. Bragg has provided a comprehensive guide on how to be effective in today's ever increasingly difficult job of investor relations. I highly recommend this for any company dealing with outside investors." —Wray Rives, CPA, President, NeedaCFO.com "At long last, a comprehensive introduction to the important topic of investor relations. CFOs, treasurers, and those who aspire to those positions would be well served to read this comprehensive guide." —Richard Booth, Vice President of Finance, Nuance Communication, Inc. "This book is a must-read for anyone involved with investor relations, from the executive team to front-line employees. In this age of MA and venture capital funding, investor relations will become increasingly important to the overall success of organizations of every size. *Running an Effective Investor Relations Department* is a vital tool." —Chris D'Angelo, Controller, Executive Health Resources "Running an Effective Investor Relations Department is an informative, concise, clearly written guide for either the employee new to the investor relations team or the experienced investor relations officer. The book gave me an in-depth overview on the 'how to' part of dealing with investors. This subject is much overlooked on the bookshelves. This book will definitely get shelf space in my office and will come in handy as I deal with the buy side." —Douglas Shaeffer, Controller, Aberdeen Townhomes "Running an Effective Investor Relations Department provides true guidelines for strategically communicating a company's goals to the investment community. It makes you think and work on how to methodically manage IR metrics for both good times and crisis situations. This is a must-read for the IR profession." —Shan Staka, Accounting Manager, PGP International About the Author STEVEN M. BRAGG, CPA, has been the chief financial officer or controller of four companies, as well as a consulting manager at Ernst Young and an auditor at Deloitte Touche. He received a master's degree in finance from Bentley College, an MBA from Babson College, and a bachelor's degree in economics from the University of Maine. He is also the author of *Accounting Best Practices*, Sixth Edition and *Cost Reduction Analysis: Tools and Strategies*, both published by Wiley.
