**Kathy Ivens, Tom Barich : Running QuickBooks 2012 Premier Editions: The Only Definitive Guide to the Premier Editions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Running QuickBooks 2012 Premier Editions: The Only Definitive Guide to the Premier Editions:

0 of 0 people found the following review helpful. A lot of Tricks of the TradeBy MTSammFilled with shortcuts that you may not receive during instruction, this publication is a must have for those working with QuickBooks.1 of 1 people found the following review helpful. Great guidance book.By Dawn SI purchased this when I purchased the Premier Edition of QuickBooks. This book has been very helpful with step by step instructions when I wasn't sure what the program was asking for. It has also had some great bookkeeping tips along the way. Would recommend this as a helpful guide.1 of 1 people found the following review helpful. tons of helpBy Kay L LehmanThis book is so helpful. I am very familiar with older versions of Quickbooks but need some good quick advise to set up a friend in the new version. There is a lot of good advise on the start up phase.

Filled with detailed, easy-to-follow instructions, this guide shows users how to unleash the full power of QuickBooks Premier Editions. With tips, tricks, shortcuts, undocumented functions, and work-arounds for special situations, this book ensures that accounting professionals, business owners, and bookkeepers get everything they need from this software.

**About the Author**Kathy Ivens writes regularly about computer and small-business topics for a variety of periodicals. She is the author of more than 50 books, including *Home Networking for Dummies*, *Quickbooks: The Official Guide*, and *Running QuickBooks in Nonprofits*. She lives in Philadelphia.
