**Jane Kelly : Sage One For Dummies** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sage One For Dummies:

0 of 0 people found the following review helpful. Sage One ebook. By Joyce A. Casement Referred to a British version of the software...useless to me, waste of dollars for North America users. Too bad...wish I had not bought it. 1 of 1 people found the following review helpful. Very Decent guide By The Emperor I was impressed with this book. It is an easy to follow and comprehensive guide to Sage one. The boot itself is quite small which I did appreciate as I often

find `for Dummies' books to be a bit unwieldy. This isn't an essential purchase but it might well be worth it in terms of time saved.
