**From Wiley : Salomon Smith Barney Guide to Mortgage-Backed and Asset-Backed Securities (Wiley Finance)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Salomon Smith Barney

## Guide to Mortgage-Backed and Asset-Backed Securities (Wiley Finance):

Mortgage-backed and asset-backed securities are fixed-income securities, like bonds, which derive their return from an underlying mortgage or basket of mortgages, or an asset or basket of assets. This market has increased from about \$100 billion in 1980 to over \$2.5 trillion today. Filling the void for a new book on fixed-income, Salomon Smith Barney Guide to Mortgage-Backed and Asset-Backed Securities provides a coherent and comprehensive approach to the subject. Featuring material used by the company, this book is an ideal training tool and resource for investment professionals, institutional investors, pension fund investors, and hedge-fund investors. Lakhbir Hayre (New York, NY) is a mortgage officer at Salomon Smith Barney, and their leading expert on mortgage-backed and asset-backed securities. He is a Certified Financial Analyst and a Doctor of Philosophy.
