**Joel J. Lerner, James A. Cashin : Schaum's Easy Outlines of Accounting** before purchasing it in order to gage whether or not it would be worth my time, and all praised Schaum's Easy Outlines of Accounting:

10 of 10 people found the following review helpful. Worth the cost...By DLB86This book is a great refresher. It is easy to read and works examples in a logical step-by-step fashion that non-accountants/non-accounting-majors may

need. This book makes a great supplement to formal accounting training (introductory accounting coursework). It would also be very helpful for someone who needs an accounting refresher (like business education majors who plan to take the Praxis II). Check out the table of content to determine if it meets your needs. 2 of 2 people found the following review helpful. Review of Schaum's Principles of Accounting By Richard M. Bash Handy little book. Have a 2-inch thick accounting text and use this Schaum's paperback to make sense of it all. If you are taking Principles of Accounting or Financial Accounting or Accounting 101, this book is perfect for you. I am not the brightest lad and this book helps me to "get it." Inexpensive and succinct. Ah, if only I could find a woman like that! 1 of 1 people found the following review helpful. For all you accountants out there By Kindle Customer A great refresher course. You don't always use everything you learned in school, this book will give a couple of Oh Yeah moments

See how to solve accounting problems with this enhanced ebook that features 20 videos of professors working through solutions! Confusing textbooks? Missed lectures? Not enough time? Fortunately for you, there's Schaum's Outlines. More than 40 million students have trusted Schaum's to help them succeed in the classroom and on exams. Each Outline presents all the essential course information in an easy-to-follow, topic-by-topic format. And there are plenty of problems, with fully worked solutions so you can check your work, or get help when you need it. Plus, this new enhanced edition features video solutions of professors showing exactly how to solve problems. If you want top grades and a thorough understanding of accounting, this powerful study tool is the best tutor you can have!
