Really A Great BookBy JP CzarI think the only shortcoming of this book is....that the author could have easily extended the length of this book by interviewing other characters in the Scotch Whisky Industry....The book is a series

of interviews with persons employed in the industry - including blenders, mashmen, etc...It's really well done a quick read.If the author ever updates the book, I'd like to see more..Enjoy..

In this informative and entertaining series of interviews leading whisky writer Gavin D.
