E. Dorodnykh : Stock Market Integration: An International Perspective (Palgrave Pivot) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stock Market Integration: An International Perspective (Palgrave Pivot):

This book provides an original approach to the determinants of stock exchange integration. With case studies of successful integration projects in Europe, North America, Latin America as well as intercontinental cross-border mergers, it provides a complete analysis of all existing integration projects between stock exchange markets.

About the Author Ekaterina Dorodnykh holds a Ph.D in Banking and Finance from the University of Rome Tor Vergata. She graduated in International Economics from Kursk State University and holds a Masters Degree in European Economics, Finance and Institutions from the University of Rome Tor Vergata. She worked at the Italian Deposit Protection Fund as Research Assistant, where she developed research projects on the role of state aid interventions in European banking during the financial crisis. She currently works for the Food and Agriculture Organization of the United Nations.
