From using systems to operate your business easier; to surrounding yourself with the right people so that you are not stressed by others, This book is a great read and worth every cent!0 of 0 people found the following review helpful. high levelBy EdgarThe book is very general. Wants to solve everything but not specify. Good way to start de-stressing. I would recommend as a read.0 of 0

people found the following review helpful. Good practical tipsBy KevinLooking for some reinforcement for common sense? This is a great book. Well written and good tips for the person who is constantly overwhelmed.

Running a business can be incredibly stressful. In fact, many people regard stress as one of the biggest problems facing business owners. Stress-proof your business and your life has been designed specifically to help entrepreneurs, business owners and managers stress-proof their personal, financial and business concerns. It is intensely practical and down to earth, exactly the sort of advice that a really good professional would give to clients and friends.
