The must-read summary of James Tamm and Ronald Luyet's book: "Radical Collaboration: Five Essential Skills to Overcome Defensiveness and Build Successful Relationships". This complete summary of the ideas from James Tamm and Ronald Luyet's book "Radical Collaboration" shows that in today's networked world, being able to add value by collaborating effectively with others has become a new business imperative. The collaborative capital of a company is now of equal importance to its intellectual and financial capital. In their book, the authors explain that collaboration must begin with the mind-set of the individual and then work its way into the organisation as a whole. This summary presents the five essential skills of collaboration that you can learn in order to improve your ability to build productive collaborative relationships. Added-value of this summary: **Save time**; **Understand key concepts**; **Expand your knowledge** To learn more, read "Radical Collaboration" and discover the key to improving your own collaborative skills.
