The must-read summary of William J. Bernstein's book: "The Investor's Manifesto: Preparing for Prosperity, Armageddon, and Everything in Between". This complete summary of the ideas from William J. Bernstein's book "The

"The Investor's Manifesto" shows that the financial meltdown of 2008-2009 has dramatically changed the long-term investment landscape. In his book, the author explains that, as surprising and counter-intuitive as it may sound, this has created a massive buying opportunity for those who know what they're doing. The stocks and bonds of some once-mighty corporations have been battered and as they recover generous returns will be enjoyed by those investors who are brave, disciplined and liquid. This summary explains the five key principles of savvy investment which you can apply to ensure future profits. Added-value of this summary: Save time; Understand key concepts; Expand your knowledge. To learn more, read "The Investor's Manifesto" and learn the timeless investment approaches that can put you in the right position to prosper.
