Andreas Laux : Systematic non-application fields of the flat rate withholding tax before purchasing it in order to gauge whether or not it would be worth my time, and all praised Systematic non-application fields of the flat rate withholding tax:

Seminar paper from the year 2011 in the subject Business economics - Accounting and Taxes, grade: keine, , language: English, abstract: Since the assessment period 2009 the treatment of private capital gains with regard to income tax in Germany has been newly regulated by the flat rate withholding tax. However, the regulation in the income tax law envisages numerous exceptions which are to be observed with the taxation. The fields of application of the flat rate withholding tax are systematically delimited. The numerous individual questions relating to the flat rate

withholding tax will not be looked into.
