You get an introduction to not only the government, religions (Muslim and Christian coexisting peacefully), and business, but more importantly, the people and cultures of Tanzania and Zanzibar. Remember that we are the visitors, and there are culturally correct ways to deal with Tanzanians, and also things not to do (ie public displays of affection). Learning a few words of Swahili will provide fascinating discussions, and humor! Highly recommended inexpensive primer for visitors! 3 of 3 people found the following review helpful. Another great edition from Culture Smart. By Customer My first 'Culture Smart!' book and I

was hooked. These books are clever, funny, and super informative. I read this book front to back in one sitting before my travel to Tanzania, and it was absolutely helpful (and accurate) in preparing me in the social norms. I recommend this book to anyone traveling to TZ, even if only for a week or two of tourism. 15 of 15 people found the following review helpful. Either the source or the perpetrator...By M. R. This is something I would expect out of a lazy college freshman.
