From the Inside Flap "I've been asked this question many times: 'What is the one single secret that separates successful people from failures?' The answer can be found in this book." -Mark Joyner, bestselling author of MindControlMarketing.com In The 11th Element, you'll discover a secret - the secret factor that's absolutely essential for the creation of business success and wealth. This secret factor was originally passed to Bob Scheinfeld by his grandfather, who used it to build Manpower Inc. from a simple idea into a Fortune 500 company with billions in revenue. Bob then used it to create millions of dollars more for himself, selected clients, and proteges across multiple industries. The 11th Element is the "X-Factor" that separates the typical get-rich-quick scheme from Scheinfeld's well laid out and documented program. It offers you the secret advantage that fuels the world's greatest success stories (whether large or small) - including such international success stories as Microsoft, Starbucks, Dell, and Virgin Atlantic. Your success is shaped by a powerful set of unseen forces that are rarely discussed. The 11th Element shows you how to tap into those forces - commonly mistaken for luck - to open an avalanche of new potential and prosperity in your life. The 11th Element is an extremely powerful and versatile system that can be customized for every aspect of business success and wealth creation. It will instantly open your eyes to all that's possible and guide you to success in anything you choose. With it you can:

- Find lucrative business and investment opportunities
