Kwame Donkoh Fordwor : The African Development Bank: Problems of International Cooperation (Pergamon policy studies on international development) before purchasing it in order to gage whether or not it would be worth my time, and all praised The African Development Bank: Problems of International Cooperation (Pergamon policy

studies on international development):

The African Development Bank: Problems of International Cooperation is an account of events and developments during Kwame Donkoh Fordwor time in the African Development Bank (ADB). The title details the basic issues and problems in international cooperative effort in the field of developmental planning and action. The text first covers the objectives and problems of the ADB, and the proceeds to tackling the role of politics in an institution such as the ADB. Next, the selection details the ideas and objectives of the ADB during the author's tenure of office. The book will be of great interest to political scientists and economists. Individuals who concerned with international development will also benefit from the text.
