**Peter Taylor : The art of laziness** before purchasing it in order to gage whether or not it would be worth my time, and all praised The art of laziness:

1 of 1 people found the following review helpful. How true: the 80-20 rule applies here too. ...By F JulikaHow true: the 80-20 rule applies here too. Read the book and discover yourself that you do not have to be 100% present everywhere and you not have to do everything. It is simply impossible, yet most of us push ourselves and others to

perform 100% all the time, sacrificing our health and well being. Give yourself breaks. Focus on the 20% that will give you 80% of the results. 1 of 2 people found the following review helpful. not up to the mark By T Was opposite of what i supposed Title was attractive for sure But it's just an extract from other books by writer Not up to the mark of expectations But its not a very big book you can invest a small part of your time and realise on your own 2 of 3 people found the following review helpful. too lame By Natalia I didnt like the way it was written and it didnt give me any good information or tips, contrary to what was advertised

In his bestselling book *The Lazy Project Manager* and his follow-up book *The Lazy Winner*, Peter Taylor shows readers how to get more out of work and life by organising their systems and routines so that they can work smarter not harder. *The Art of Laziness* offers short extracts from these two books for readers to consider if they are ready for a journey to a productively lazy and work/life balanced world.
