The first half is new material, and theSecond old. I liked the older material better than the main book, mainly for one thing it was notUp to Mr Vitale's usual high standards.It is possible

Mr Vitale wants you to splurge on his audio programs where he will reveal much more knowledge. I do own one of his audio programs and am looking forward to listening to it, along with reading his book Zero Limits which I also own. Imagining a good life, or a better life for yourself is important, as Mr Vitale states. Do not let the quality of this book stop you from buying his other work. 7 of 7 people found the following review helpful. Best yet from Dr Joe By timj I have been all over this subject, reading many books from various authors on the relationship between spirituality and wealth. This is the best of the lot - by far. It speaks directly to your personal experiences around money and power. Then it connects the dots so you can fit your experiences into a larger perspective. It's hard to put down. 3 of 3 people found the following review helpful. Good help in thinking productively about money making it...less help in making it happen for you. By David B Eller The reframes of: Thinking of money as a tool neither good or bad separate from what uses its put to; That you can decide to be someone who makes things better for everyone to earn it is a worthy activity and one everyone badly needs some people to do; AND, even if you can't yet pay them, bless your bills for the good things they enabled you to have or use --are all well presented and well worth the reading time and book price! More actionable tips on how to make your skills and passions really help people and how to make a start that works to create that kind of a business are missing and would add greatly if they were added in a future version.

Radical formula transforms your money and spiritual growth into global change The Awakened Millionaire is a practical manifesto guiding you to new dimensions of personal wealth, spiritual growth, and as a result, global transformation. Crafted by Dr. Joe Vitale, a famed millionaire, best-selling author, and star of the blockbuster movie "The Secret," you'll discover a controversial formula that accomplishes what few believe possible: combining money and spirituality together to bring you more of both, while transforming you into a force for good in a world that desperately needs it. This book is a call to action, pushing you to wake up, stand up, and transform yourself into a powerful expression of your passion, your wealth, and your desire to make a difference. It is an invitation to become a true Awakened Millionaire, starting today. While most consider money and spirituality a blasphemous duo, Dr. Vitale shatters these social norms and shows you the true nature of money empowered with soulful purpose. At turns inspirational, motivational, and conversational, this page-turner ultimately narrows in on practical steps anyone can use to see instantaneous results, regardless of your past failures, current financial situation, or future goals. But his mission is not to simply transform you. Dr. Vitale's mission is to create a swarm of Awakened Millionaires transforming the world with every action they take, while enjoying personal luxury and soulful fulfillment new levels of money and spiritual growth can give them. The book reveals: How to turn your passion into wealth How to transform money into a spiritual tool How to create a soulful mission that changes the world If you desire both wealth and spirituality, this book finally reveals how.

From the Inside Flap Not everyone's journey to success is linear. Many of history's most accomplished men and women toiled for years at jobs that didn't fulfill them until they finally found what they were truly meant to do with their lives. This uplifting formula to living the life you were meant to lead is written by the highly sought-after Miracles Coach Joe Vitale, who took himself from a homeless man with a dream of becoming a writer to a bestselling author known as one of the world's most powerful copywriters and marketing minds. . . just by following the Awakened Millionaire Creed. With this complete guidebook to turning your dreams into your everyday life, there's nothing else to buy. Joe leaves it all on the page in his inspiring narrative that gives you the concrete steps you need to awaken your passion, forge your purpose, activate your mission, and embolden your relationship with money in order to attract your own unique brand of wealth into your life. If you have failed before, if you think you can't make money doing what you want to do, or you feel as if someone like you can't change the world and become rich. . . read on. The Awakened Millionaire shows you: What you should be doing with money, and the answer isn't hoarding it Why you need to stop selling what you have and start sharing its benefits How to always accomplish your goals by turning failure into feedback Retaining your customers is as easy as keeping a promise Why your obstacles are your greatest assets to achievement Investing in yourself means consistently changing for the better Taking each opportunity without hesitating is the key to growth and profit The Awakened Millionaire is not only your first step on your own path to accomplishment and wish fulfillment, it's also the key to unlocking the gates to a community of people already living the lives they want. From the Back Cover A manifesto on balancing the pursuit of wealth with spiritual growth, from the bestselling author of Zero Limits The Awakened Millionaire is the stirring cry for a new breed of millionaire; one at peace with spirituality, humanity, passion. . . and prosperity. From the man who has found impressive success in a diverse range of industries, from marketing to motivational speaking to music, Joe Vitale; known as the promoter of the Law of Attraction and creator of Hypnotic Marketing; comes the set of principles for attracting prosperity you can feel good about. There's a lot about money that makes us feel bad, such as it's the root of all evil, it can't buy happiness, it corrupts absolutely, and it changes us and makes us greedy, among others. Now, you can look at money in an empowering new way and turn your private passion into personal wealth.

Joe's inspired guidance refreshes your outlook on business, relationships, and what's possible when you put your mind and heart into living the highest vision of your life you see. What is the value of money? It changes. Abundance is always the same, and Joe provides the concrete steps for bringing plenty of what you need into your life by doing what you love to do by: Encouraging situations where everyone benefits in order to nurture growth and spiritual enrichment Living every day of your life around the proven formulas $\text{Passion} + \text{Purpose} = \text{Mission}$ and $\text{Soul} + \text{Money} = \text{More Soul} + \text{More Money}$ Deleting the "counter-intentions" sabotaging your best efforts to capture prosperity When it sounds too good to be true, Joe delivers motivating stories of other real people who accomplished impressive levels of prosperity by standing by their values and beliefs. If you believe a business can make the world a better place and provide for people at the same time, you're ready for *The Awakened Millionaire*.
