**Jerry Gladstone : The Common Thread of Overcoming Adversity and Living Your Dreams** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Common Thread of Overcoming Adversity and Living Your Dreams:

By Robert J. Wilkins  
Maybe three and a half stars.  
If it helps someone its useful, but its repetitious, and toward the end the individuals weren't on my recognition list. I agree that persistence can triumph over skill or ability-SOMETIMES, but you still have to have the ability to be

doctor, lawyer, Indian chief or whatever. There's too much use of the word "I" and the sales pitch at the end really frosted me. I don't think any of the individuals cited used him as their advisor, but they did practice what he preaches discovering it on their own effort. 1 of 1 people found the following review helpful. I purchased the book because it was recommended on The O'reilly Factor. By F. Schadler I purchased the book because it was recommended on The O'reilly Factor. My impress pre-purchase is that the content would include the challenges and adversities that each of the featured individuals faced and overcame in achieving their success. Although each person faced some challenges in that they did not start with a "golden spoon in their mouth" the stories almost all revolved around the same theme. They conveyed to work hard and persevere and don't let obstacles stop you. That message is excellent, but hearing it 53 times with the backgrounds changing is overkill. Being totally fair I will say there were a few individual inspirational stories, but not enough to justify the time to read the whole book. 0 of 0 people found the following review helpful. I would give The Common Thread 5 stars... ..By Fran K. I would give The Common Thread 5 stars.... it showcased famous people and how they became successful and they gave examples of what they did to be successful and at the end of the book the author added how you can be successful too!

Is it your turn to be a super achiever? Could you learn from the world's most successful people like Bill O'Reilly, Marc Cuban, Montel Williams, Sylvester Stallone, Snoop Dog, Gloria Gaynor, Randy Couture and others? Get instant access to insights and wisdom from Academy and Grammy award winners, Super Bowl and World Series champions, Rock and Roll Hall of Fame legends, talented artists, best-selling authors, Olympians, boxing legends, Ultimate Fighting Championship (UFC) world class fighters, and even billionaires. The Common Thread of Overcoming Adversity and Living Your Dreams gives you proven strategies, disciplines, methodology, insights, wisdom and perspective from people in the public eye. You will discover that there is without question a Common Way, a Common Theme, a Common Thread that separates desired success from real success. It is not based on theory. Rather, it focuses on real people and how they became so successful. The Common Thread of Overcoming Adversity and Living Your Dreams is a guide to help you master new skills and habits. It is a comprehensive, easily read "Instant Motivator" with long-term benefits as you focus on how these cultural icons rose to the top and overcame the obstacles and challenges we all face each day. Each story concludes with practical helpful "do it daily" tips you can implement immediately. You will receive a renewed vision and a new "Yes I Can Do" attitude. Get ready to use the "success formula" revealed in The Common Thread. Now is your chance to reach your fullest potential and live a life far greater than you have imagined. You will no longer allow your circumstances, your lack of resources, or your past define who you are or what you can become.

"Somehow, Jerry Gladstone has gotten dozens of famous people to candidly discuss their successes and failures. It is the cautionary tales that separate The Common Thread from other books of its kind. You will learn a lot, you will not be bored!"
